FUNCTION PACK

WELCOME

The Arkaba Hotel has undergone a major renovation, which includes a complete revamp of the hotel's interiors and functionality.

Our architects drew inspiration from the minimalist architecture of the 1960s while adding a fresh and contemporary look and feel.

We are delighted to introduce state-of-the-art technology into all our function rooms, complemented by the addition of exclusive private bars offering a selection of tap beers and rendering our spaces ideal for both celebratory occasions and corporate events.

Our versatile function spaces can be seamlessly combined, allowing the Ark the capacity to host events of any size.
